14                   Offenses charged:

15           1. Possession of Controlled Substances with Intent to Distribute.  
16           2. Unlawful Possession of a Firearm  
17           3. Carry a Firearm During and in Relation to a Drug Trafficking Crime.

18                   Date of Detention Hearing:   August 19<sup>th</sup> 2024.

19                   The Court, having conducted a detention hearing pursuant to 18 U.S.C. §3142(f) and  
20                   based upon the factual findings and statement of reasons for detention hereafter set forth, finds  
21                   that no condition or combination of conditions which defendant can meet will reasonably assure  
22                   the appearance of defendant as required and the safety of other persons and the community.

01        FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02        1.      Defendant has been charged with a drug offense, the maximum penalty of which  
03 is in excess of ten years. There is therefore a rebuttable presumption against defendant as to  
04 both dangerousness and flight risk, under 18 U.S.C. § 3142(e).

05        2.      Defendant poses a risk of flight based on his prior absconding from Court  
06 supervision, and he now faces a mandatory minimum term of imprisonment of 10 years, which  
07 provides an incentive to flee. He poses a danger to the community based upon the commission  
08 of new offenses while under supervision, and his extensive criminal history.

09      Defendant does not contest detention at this time.

10        3.      There does not appear to be any condition or combination of conditions that will  
11 reasonably assure the defendant's appearance at future Court hearings while addressing the  
12 danger to other persons or the community.

13      It is therefore ORDERED:

14     1. Defendant shall be detained pending trial, and committed to the custody of the Attorney  
15 General for confinement in a correction facility separate, to the extent practicable, from  
16 persons awaiting or serving sentences or being held in custody pending appeal;

17     2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;

18     3. On order of the United States or on request of an attorney for the Government, the person  
19 in charge of the corrections facility in which defendant is confined shall deliver the  
20 defendant to a United States Marshal for the purpose of an appearance in connection with a  
21 court proceeding; and

22     4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for

01 the defendant, to the United States Marshal, and to the United State Probation Services  
02 Officer.

03 DATED this 19<sup>th</sup> Day of August, 2024.
